To

Thirayanneswamy Naidu, Esq, B A, B L,
Secretary to Government,
Law Department, Bangalore

Sir,

With reference to your letter No L 94 S/11 105-42-110, dated 22-5-1943, requesting to furnish certain particulars regarding the grant of an additional sum of Rs 500/- sanctioned by the Municipal Council at their meeting held on 5-11-1942 to the Municipal Co-operative Stores, Ltd, Mysore I have the honour to enclose herewith copies of receipts and expenditure for the three months, March, April and May 1943, for your kind information

2 From the marginally noted particulars, it is seen that the sales are increasing month by month and that the daily transactions works out to Rs 280/- at present the daily sales will be about Rs 150/- In addition to the controlled articles of food as rice, ragi, sugar and wheat, the Stores deals in all other essential commodities such as coffee, Jaggery, paper, matches, soaps, pulses, ghee, fuel charcoal etc, and coupons for 2003 bottles of kerosene were issued to the Municipal employees during the last three months

	March	April	May
Cash sales	1,220 14 6	1,765 0 3	2,364 6 11
Credit sales	1,519 1 11	1,410 14 5	4,577 8 8
Purchases	3,496 4 9	4,565 5 0	4,299 3 8
Total transactions	4,000 4 10	6,369 5 4	6,938 15 7

3 Arrangements have been made to get 500 pallas ragi

for 1 the expenditure under these heads

ragi from Hegdeverkote taluk and 1,200 cardies paid from village budgets so that the army may be stocked for use of the sweepers and the menial staff for whose benefit the Stores has been started. For this purpose Government have also kindly sanctioned an advance of Rs. 25,000/- which amount will be drawn in this month.

4. There is very heavy rush in the Stores when ragi is issued to sweepers and the staff now appointed to work part-time find it very difficult to manage at times. The Honorary Secretary has also to attend to correspondence, purchases, cash remittances and visit fuel, charcoal and rice depots, arrange for the Committee and sub committee meetings. He is in entire charge of the Stores and under him the present part-time staff is working. It is proposed to appoint a whole-time clerk also. Considering the turn-over, the establishment charges including the allowance to the honorary Secretary will be about one per cent of the transactions while the establishment charges incurred in similar Co-operative Stores is, it is understood, about 5 to 6 per cent.

5. The object with which the Stores has been started is to make available to the Municipal and Trust Board staff, essential articles of provision at reasonable prices and affording them credit facilities up to sixty per cent of their salaries. It is, therefore, not possible to realise much profits to the Stores, especially in abnormal conditions like the present, when in addition to the scarcity of goods, their prices are every day on the increase. With the restriction of normal times, it is possible for the Stores to earn some profits so as to enable its maintenance of the required establishment.

6. A sum of Rs. 1,000/- has been given to the Stores in October 1942 out of which Rs. 500/- is an outright grant for 1941-42, as sanctioned by Government and Rs. 500/- as advance for 1942-43. The resolution

resolution of the Council is to treat the latter sum of 500/- as an additional grant to the Stores in view of the circumstances stated as above and I request orders of Government approving of the above proposals may kindly be obtained early

I have the honour to be,

Sir,

Your most obedient servant,

Rajendra
